No trying to conquer the whole world. Recently, however, stone and tile have replaced construction materials of the earlier type, but still a mixture of mud and fertilizer is used within the built verandas. Anyone who spent even one night in the Gurung village had to hear the sound of the drum and groups of singing girls and boys.

Currently, their activities are fairly evenly distributed to agricultural production and pastoralism. It does not happen among them that someone behaved inappropriately, and then justified it with a bad mood, how often we used to do it in the West. Currently — except for major festivals — they eat meat twice a month.
