The young man's guide, through the wilderness of this world, to the heavenly Canaan. Shewing him, how to carry himself Christian

The animal on the other hand needs to go in search of food materials, because animal lived on the readily formed energy procured and provided by plants and other animals.

The young man's guide, through the wilderness of this world, to the heavenly Canaan. Shewing him, how to carry himself Christian

What will you leave to them when you are gone? Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. Religions thrived and expanded so did reason and philosophic systems.

The unperceived process of evolution was carrying its absolutely necessary process of progress evolving all these many millennia.

Thomas Gouge, The Young Man's Guide (1696)

The easy way was to capture such energy from the sun which poured out such energy in great abundance. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking.

The Young Man's Guide Through the Wilderness of This World, to the Heavenly Canaan Shewing Him How to Carry Himself Christian

The cognitive devices did not develop in the plant for want of use. A plant does not go in search of food. But in the new scientific vision the

essence is one and the same reality- the atoms.
