## Top of the Pops

But how American is Pop as an art form? By 1960, Warhol had become one of the most successful commercial artists in New York.

### Andy Warhol Campbell's Soup Boxes ARTBOOK

He drew, with a distinctive and recognizable line, magazine illustrations, advertisements, book jackets, and album covers, and he owned a four-story town house on the Upper East Side. Went to my feet, shoved my head through the top, and arms through the side in that iconic Travolta move. The reason he painted soup cans is that he liked soup.
