. Martins, London, on 4 March 1683, sailed for America, dying soon afterwards at Sandwich, Massachusetts in 1687. His own father, Lord Randolph Churchill, had been elected Conservative MP for Woodstock in 1873.

### Winston Churchill Family Group

Near the end of the war, Churchill was released during an exchange of prisoners. For eight years, he pursued farming on a plantation near Little Rock.

### Winston Churchill Family Tree (12944)

In 1688 John Churchill supported William III when William invaded and took the throne from James II.

### Churchill's American Heritage

But no matter who you are, there are bound to be skeletons in the cupboard because our predecessors were not always honourable. Neither can we be sure that the Hugh le Despenser entrusted with Hareston Castle in Derbyshire in 1256 was a direct descendant of the other Hugh. He married Susan Hornby b.

### Winston Churchill Family Tree (12944)

Their son, Sir William Spencer, obit. Descendants live in Kentucky, Tennessee, Texas, Virginia, New York and elsewhere.

## **The Marlborough Family Tree**

Born in Paris on 4 August 1640, he died at Althorp on 28 September 1702 and is also buried at Brington. He was a bright young man who achieved an M.
