Virginia bluebell has vegetation most of the year, including winter, but dies back during summer. This work was reproduced from the original artifact, and remains as true to the original work as possible.

## Young at Heart (Bananarama song)

The main confusion about whether or not wood hyacinths *Hyacinthoides hispanica* are bluebells probably stems from their alternate name, Spanish bluebell hyacinths. It became a hit on the UK chart for four weeks, leading to the band reforming temporarily to perform the song on's , on which they commented on the unexpected re-release by parodying various other famous acts of the time such as and. The plant grows 9 to 18 inches tall, usually spreading 9 to 12 inches.
