The Cambridge Factfinder by David Crystal

There is new material covering more than 30 extra pages, including the world's largest cities by population, the most up-to-date political and geographical coverage of the war in the former Yugoslavia, Eritrea as a new country, data about the legal systems of Australia, Canada, South Africa and the USA, details of the universities of 30 new countries, the most recent statistics about the world's language families, the latest details of world English use, and the major causes of death worldwide. With more up-to-date facts and figures than any similar book, The Cambridge Factfinder is a storehouse of general and not-so-general knowledge for anyone needing information in a hurry. In this new extended edition every area of knowledge has been updated, including populations, international boundaries, the world's political leaders, and international prizes.

The Cambridge Factfinder by David Crystal

Its logical ordering, attractive page design and superb index makes this the most user-friendly source of information available. Now thoroughly revised and updated, this popular reference book provides the quickest and most accurate answers to the widest possible range of questions. The information is clearly presented in the form of tables, lists, maps and diagrams.

The Cambridge Factfinder by David Crystal

. With more up-to-date facts and figures than any similar book, The Cambridge Factfinder is a storehouse of general and not-so-general knowledge for anyone needing information in a hurry.

The Cambridge Factfinder

There are over 360 illustrations - graphs, diagrams, and specially-drawn maps - and a substantial index.

The Cambridge Factfinder

The Cambridge Factfinder remains the most comprehensive and up-to-date general factbook available. Now thoroughly revised and updated, this popular reference book provides the quickest and most accurate answers to the widest possible range of questions.

The Cambridge Factfinder Updated edition

His family moved to Liverpool in 1951, and he received his secondary schooling at St Mary's College. The information is clearly present Now thoroughly revised and updated, this popular reference book provides the quickest and most accurate answers to the widest possible range of questions. He read English at University College London 1959-62 , specialised in English language studies, did some rese David Crystal works from his home in Holyhead, North Wales, as a writer, editor, lecturer, and broadcaster.

The Cambridge Factfinder Updated edition

He published the first of his 100 or so books in 1964, and became known chiefly for his research work in English language studies, in such fields as intonation and stylistics, and in the application of linguistics to religious, educational and clinical contexts, notably in the development of a range of linguistic profiling techniques for diagnostic and therapeutic purposes. Born in Lisburn, Northern Ireland in 1941, he spent his early years in Holyhead. His family moved to Liverpool in 1951, and he received his secondary schooling at St Mary's College.
