## The Nude: A Study in Ideal Form by Kenneth Clark

A wonderful introduction to the study of art.

### Kenneth Clark

Vane Percy captures the intrinsic beauty of the female form, which can be found in the breasts or a knee, buttocks or nape of a neck, waist or an ankle. While it's written in a very accessible style, this book is aimed at art historians. Photography suffers from the problem of being too real, and for many years was not accepted by those committed to the traditional fine arts.

### The nude; a study in ideal form : Clark, Kenneth, 1903

If a virtuous woman is dependent and weak, as was assumed by the images in classical art, then a strong, independent woman could not be portrayed as virtuous. And finally, any trace of double standards for male and female nudes seems to have gone. This likely first occurred with the painting 1797 by Goya, which in 1815 drew the attention of the.

### The Nude: A Study in Ideal Form: Clark, Kenneth: 9780691017884: me.stfw.info.cdn.cloudflare.net: Books

All of them are mentioned in the original text, and very few are superfluous; and black-and-white is much better than nothing. It may not be the last. Vane Percy is attracted to both the mechanism of the body—the way it moves and the parts interact and connect—as well as the unified, formal entity of the body as a whole.

### 5 Artists Exploring The Female Form In Unlikely Ways

In her explorations of the female form, Argentinian illustrator uses color and simple lines to delineate power. This way of representing the nude female figure in art was focused on the fact that women were in control of their own image.
