## Disabled People's Vulnerability in the European Single Market: The Case of Consumer Information

Coordination of employment policies E Health - Article 152 formerly Article 129 E 1. Instead of vague disability action plans, there is now the more concrete 10-year disability strategy. This is fundamental to disabled people's ability to live and work independently and enjoy basic human rights.

### Disability in the EU

The CRPD requires Article 2 of the Optional Protocol. Calls on the Commission to examine the feasibility of creating a mandatory legal framework to ensure universal access and accessible technology when creating the regulatory framework in the information society: 15. Original As Enacted or Made : The original version of the legislation as it stood when it was enacted or made.

### Disability in the EU

Out of darkness into light? Also, could it be read together with Article 13, which encourages the Council to combat discrimination based on sex, racial or ethnic origin, religion or belief, disability, age or sexual orientation? It also gave the European NGOs' a forum in which they could express their solidarity and act as a single body. One example of this change is the treatment of the the Lesbian Gay Bisexual Transgender Queer LGBTQ community.

### Regulation (EC) No 1107/2006 of the European Parliament and of the Council of 5 July 2006 concerning the rights of disabled persons and persons with reduced mobility when travelling by air (Text with EEA relevance)

The Union shall respect the national identities of the Member States, whose systems of government are founded on the principle of democracy.

### European Union disability policy

It does not oblige Member States to adopt national laws to eliminate discrimination on the basis of disability. The Dublin Summit proposed the inclusion of Article 6a on non-discrimination in the new draft Treaty. This presentation examines the situation of disabled people within the European Treaties; explores possibilities for influence on the part of disabled people's organisations; and discusses some EU programmes that might be of relevance to disabled people's organisations.

### **Disability in refugee populations : The Legal Protection of Refugees with Disabilities Forgotten and Invisible?**

Migrants currently arriving to Italy were entitled to emergency health care at the place of arrival, and had access to health care while in reception centres.
