## Brandt Report

All the people sent into the field belong to Survival International staff, none are sponsored volunteers or visitors of any kind. There is very little room for middle ground.

## The Brandt Report

Durham, NC: Duke University Press. On 12 February 1980, Willy Brandt formally presented the report of the Independent Commission on International Development Issues Brandt Commission to the UN Secretary-General.

## Global South: what does it mean and why use the term?

Those who simply read or quickly scan Agenda 21 are puzzled by our opposition to what they see as a harmless, non-controversial document which they read as voluntary suggestions for preserving natural resources and protecting the environment.

## SUSTAINING A DISTINCTIVE NORTH

A differentiation is made between poverty in the North, where the relatively high levels of wealth could be redistributed more effectively, and the acute poverty of the South, where there is less wealth to redistribute and very little opportunity to acquire more.

## Wales for Africa: The ‘Fourth Pillar’ of Development Cooperation in Action?

All nations have to cooperate more urgently in international management of the atmosphere and other global commons, and in the prevention of irreversible ecological damage. Fair trade coffee: The prospects and pitfalls of market-driven social justice.

## **SUSTAINING A DISTINCTIVE NORTH**

By widening human rights and a protective scope based upon the principles of human security, with its attendant focus upon community, environment, food, and personal security rights, the recognition of water rights for the child is likely to gain more credence. This book begins with a nationally scaled understanding of the Global South, drawing an equivalence with the former Third World.
