### Politics of France

And our lie-prone politicians and their bought mainstream media, continue to praise our western beautiful democracy, while deviating our attention from the truth, by bashing western-made enemies, like China, Russia, Iran, Venezuela, Cuba, Syria, North Korea, and others just so we are blinded at home, but are told with false propaganda that all these other countries are evil. Yet the danger of insecurity, arising from changed economic or other circumstances, or from uncorrected mistakes of policy, can lurk behind what looks like a healthy state. The is a French literary prize first awarded in 1903.

### Democracy as a Universal Value

French cuisine is renowned for being one of the finest in the world. These merits are not regional in character.
