

Portrait of a revolution

Backpackbook - Tropicália: Portrait of a Revolution

Description: 2004 Ukrainian Presidential elections. Vote rigging triggers the Orange Revolution, a campaign of street protests that leads to the election of Victor Yushchenko. On hand to record these events was Australian photographer Bohdan Warchomij. As part of this body of work the photographer also produces images of Ukrainian daily life, its landscape and some images of young Chornobyl survivors.

A bustling portrait of Iran on the brink of revolution

He could not see his daughter until 1992 in Saidnaya prison; those rocky five years changed his complexion so much that Farah failed to recognise that he was her father. He was acknowledged as a precursor, worshipped and somewhat feared by Veloso and Gil, who sometimes trembled at the knees in the shadow of Ben's prodigious talents.

They should not be killed by routine. Alongside this project, she also captured a slew of black-and-white photos portraying the people of Tehran — children with mischievous grins, friends gathering around food, three young men balancing on a single bike. At the same time, many of her colleagues were from Ukraine and were traveling between Austria and Ukraine.

Bringing the ‘Icon of a Revolution’ to George Floyd Square

Photographer Janine Wiedel recalls travelling to Iran in 1976 to capture everyday life there, two years before the stirrings of the Iranian Revolution began and would irrevocably change the country. Russell said it's important for visitors that come to the square to be respectful.
