## Life Lived Like a Story

The charm, the wisdom and often cheekiness of these three women rings clear. .

## Life Lived Like a Story, Julie Cruikshank

Their life stories tell us as much about the present as about the past, as much about ideas of community as about individual experience; they call our attention to the diverse ways humans formulate such linkages. As women, they had power and they used it wisely, and through their words and Cruikshank's skills, you will change your mind if you think the anthropological approach to oral history can only be dull. The growing literature on small-scale hunting societies pays careful attention to their subsistence strategies but less to ideas that seem peripheral to their economic activities.

## UBC Press

Mockingbird Books has two brick and mortar used book stores located in Sebastopol and Guerneville California. This is an exemplary work. There is no doubting the authenticity of the voices.
