## Alberta Wheat Pool

A dry cycle set in, with crop yields declining as the drought conditions increased.

## A look at the Alberta Wheat Pool

Other grain companies may also offer pooled pricing as a marketing alternative for producers wanting to manage pricing risk on at least a portion of their crop by averaging sales across a specific time period.

## Alberta Wheat Pool fonds

The Depression and the 1940s were a period of readjustment, during which the company largely surrendered its original role as a marketer of grain to the Canadian Wheat Board, an organization whose history is intertwined with that of the pool. Butze, Alberta Butze is located east of Chauvin near highway 17 and Secondary 610.

## Alberta Wheat Pool

While repaying its debts, the pool became a crucial agent of adult education.
