Held on the 19th of January at the Heineken Music Hall in the Netherlands, X-Qlusive:Wildstylez was a sold-out event and included popular Hardstyle artists and former collaborators Noisecontrollers, Headhunterz and Alpha<sup>2</sup> on the lineup. To celebrate 25 years since its release, the film's writer and director, Charlie Ahearn, has compiled a book, Wild Style The Sampler, that features photographs, stories and graphics that document the remarkable journey from initial idea to cult movie classic. The highly successful soundtrack of the film, which was composed entirely from scratch to avoid rights clearances, was produced by Fred Braithwaite, in collaboration with Chris Stein of chart-topping rock act.
