The results of our reasoning should be of the same manner.

### **Setting and Pursuing Worthy Goals**

Without undaunted faith, all of our efforts would be useless.

### **How to Speak Confidently in Public (with Sample Speeches)**

For pronunciation, you want to make sure you know how to pronounce all your words and that you've practiced pronouncing the more difficult ones. This amendment and all of the other amendments to the Constitution were added because the Constitution itself, according to its drafters and the states, which had to ratify it, didn't offer enough protections for the civil liberties from the powers of government. One of the boys refused to take part.

### **Setting and Pursuing Worthy Goals**

By the practice of those declarations all class and caste distinction will be abolished; and slave, serf, plebeian, wife, woman, all alike, bound from their subject position to the proud platform of equality. I love verbal games, they learn such a lot. I have a class and need lots of impromptu speech topics for them to practice with.
