Europe's Last Red Terrorists: The Revolutionary Organization 17 November

That said, still very informative as the author did his homework investigating enough other primary sources to construct an effective presentation on history behind the formation of 17 November. The only substantial flaw with the book itself is that it was published in 2001, a year before most of the organization was rolled up. If you want to learn about the nature of left-wing terrorism in Greece this is an excellent source. He writes regularly for the Wall Street Journal Europe and the International Herald Tribune and is now working on a biography of Andreas Papandreou. As such, 17 November's terror campaign has been an audacious protest aimed at discrediting and humiliating the Greek establishment and the US government, but one that has never sought to develop widespread revolutionary guerrilla warfare.
