A Brief History of India and Pakistan and Their Independence

Pakistan History and Timeline Overview

The Neolithic dispersal across South Asia plausibly involved migration of the population. The ancient Indus systems of sewerage and drainage that were developed and used in cities throughout the Indus region were far more advanced than any found in contemporary urban sites in the Middle East and even more efficient than those in many areas of Pakistan and India today. She and her team also released MenstraBook, with menstrastories and organised Menstra Tk in the Delhi School of Social Work to create more conversations on menstruation.
