It reflects also the cultural interconnections that account for centuries, labour migrations and the continuous trade exchanges. The outstanding achievements of Victorian art reflect the fundamental themes of Love and Death. It is an hermetic practice, it takes effort to access it, thus it does not meet the standard requirements for contemporary art: a public, a social and an educational dimension.

The book's primary interest is in what motivates each artist's practice-the generative knots that inspire creativity-and in how their pieces work to give off their unique effects. I loved that old idea of how film literally captures time and light inside itself. Previous owner's extensive but neatly penned inscription to the ffep, minor corner rubbing, very little wear overall.
