### The Painful Costs of Denying the Armenian Genocide

In 2001, a further centralization created the Committee to Coordinate the Struggle with the Baseless Genocide Claims.

### Armenian Genocide denial

In both cases, the mediators did their best to sideline historical disputes, which proved impossible.

### Denial of the Armenian genocide is still rampant

Many countries in eastern and central Europe have pursued processes of lustration or vetting after the Cold War, exposing and penalizing those behind state-sponsored abuses.

### Denial of the Armenian Genocide should concern us all

What I did say exactly word for word is..... Before these questions can be addressed, some understanding of how denial is formulated and promulgated is required.

### Human Rights Court: Denial of Armenian genocide is not a crime

Akçam stated in 2020 that Turkey has definitively lost the information war over the Armenian Genocide on both the academic and diplomatic fronts, with its official narrative being treated like ordinary. Kieser, Göcek, and Cheterian state that ongoing denial prevents Turkey from achieving a full democracy including and , and that this denial fosters state repression of minority groups in Turkey, especially Kurds. This results in widespread feelings of inadequacy, shame and rage, disrupting the capacity to relate positive cultural values and traditions.

### The Armenian Genocide: 100 Years of Denial

As in his other speeches, he presents Turks as innocent of any wrongdoing and victims of horrific Armenian atrocities. The occurred in the former Ottoman Empire, in the region that is now eastern Turkey, under the guise of World War I.

## **The Hypocrisy of Israel's Denial of the Armenian Genocide**

In the eyes of his admirers in Turkey today, and throughout the twentieth century, he was a great statesman, skillful revolutionary, and farsighted founding father. Genocide denial is a major aspect of Turkey's foreign policy; central to Turkey's ability to deny the genocide and counter recognition is its strategic position in the Middle East. However, the social amnesia created by the Turkish government impedes the possibility for such acknowledgement and so prevents the individual from healing.
