Living Life to the Fullest

Life is to be enjoyed, not just endured.

Essay on Life in a Big City in English

They drag you away from personal happiness and real enjoyment of life. For Swedes, lagom is a lifestyle, a habit of mind. .

Life Philosophy Quotes (3730 quotes)

Regardless of our political, ethnic or religious affiliations, we will become skilled at calling out extremism in any of its forms or disguises, if we embrace the principles of balance and moderation. Thanks for stopping by and sharing your thoughts and views. Ultimately, instead of running from new experiences, engage in them, and seek more whenever you can.

37 Quotes About Enjoying Life: Every Day You Get Is A Gift

But this is the first time i read your entire post and i liked it very much. In almost no time, you will see a massive change in your mood and the way you approach things.

Living in the present moment

Our thoughts too as we have said are an embodiment of the way in which we live life backwards, on the basis of the unreal rather than the real. But excess of money is too bad. However, I am not starving, have a house, that I am paying for on my own.
