### Resources for Parents

Knowledge woven together manager Emma Parangi has knowledge of both Māori and western knowledge bases around oral language development, and says the braided river model referenced will be useful for all kaiako and teachers.

### Talking Together: A Discussion Guide for Walking Together

The importance of creating a positive, productive learning community in the classroom was part of each program in this series, but teachers indicated that they would like more information about creating learning communities. They wanted their students to be tolerant and supportive, and they wanted a way to systematically teach those concepts and skills to the whole class.

### Key Concepts in Conversation Analysis

Miranda has worked with a number of disorders and diagnosis including: Autism Spectrum Disorder, Down syndrome, cognitive delay, Childhood Apraxia of Speech, Deaf and Hard of Hearing, articulation challenges, expressive and receptive language delays and feeding difficulties. If we are being honest, during this time we can acknowledge the increased disparities as it relates to healthcare and racial injustices, etc.

### Talking

The students in the three groups of classes took a written test of their knowledge about participating in discussions.

### Resources for Parents

Deborah has specialized in feeding disorders and has experience working with premature infants, the very young child bottle feedings, breast feeding, and transitioning to solids , the medically complex child, children with feeding tubes, children with food allergies, autism spectrum disorder, visual impairment, and developmental delay. Thus, we began work on a series of instructional programs focused on the classroom community. Our work is supported by foundations; federal, state and local government agencies; and by nonprofit organizations.

### Talking

Katie completed two internships while earning her graduate degree.

### **Families Talking Together**

Marla has worked in Early Intervention over 20 years and has passion for supporting families and meeting them where they are at.

### **Talking**

My interest in social skills instruction began when I was a teaching-parent in a group home for adolescents who had a history of social problems.
