Berakhot (tractate)

In any case, Hashem has the nations around us to remind us of our duties to Him. I'll hold off from applying this to a contemporary setting, though it should be obvious that there's what to be learned from this story. The Rav noted that Hashem is referred to as Elokim denoting the Midas Hadin when He commands Avraham to bring Isaac as a sacrifice.

Women Wearing Tallit?

The bus driver and a medic who happened to be on board ran out to help him, thinking he was an innocent passenger trying to board the bus. This was virtually a matter of life and death for lots of other people, and so it would have been most fitting for King David to be rid of Naval.

The Cambridge History of Judaism

The greatest accomplishment is when a father carefully transmits his experiences so that he may pass it on intact to his child before he passes on. It is a basic experience that can? It also includes instructions concerning the Nazarite and other vows.
