The shadows on Plato's wall are not the Truth. If the doctrine of transmigration is to be tenable, we must say that there is something that transmigrates; if there is something, what is it? Though he was married and had everything to support his life and the life of his family, he abandoned the life of luxury to live a life of finding answers.

Nondualism

Intensive mystics use nontraditional religious activities, including chanting and meditation, in an attempt to commune with God. In order for a proper mystical experience, we must be liberated. These ultimate realizations can occur in several different forms of mystical experiences.
