## Record A Plat

Girard Davidson, Eugene Davies, Joseph E. The Center is, I believe, as rich in talent in military history as anywhere else in the country; and I was able to take advantage of that fact. The type of information found includes names of militiamen receiving pay or paying fines, the amount received or remitted, and the date of the transaction.

## Plats and Land Records

Fire reports for AK, CA, CO, ID, MT, NM, OR, SD, UT, WA, and WY, 1964-78. Correspondence and directives relating to operation of regional records offices, 1943-48. Applications for service medals and awards, 1905-51.

## Georgia Military Records

Area offices were abolished, May 1961, and state offices some with multistate jurisdiction became under state directors the highest level in the BLM regional structure, with responsibility for range, forest, and land management, and for supervision of district offices.

## War Department Collection of Revolutionary War Records

Occasionally noted is location where served, names of previous commanders, names of succeeding officers, previous names of the military unit, and other details. Journal of the constitutional convention of the Provisional Congress, 1861.
