Zhongguo dian ying gong si

The oppressive politics of the Qin dynasty soon found resistance not only among the peasants that suffered under the duty to deliver corvée labour but also among the nobility and the upper class of the former regional states. It was also necessary to unify weights and measures for these purposes.

高影响力学者揭示中国如何达成“碳中和”目标

Global Topology Constraint Network for Fine-Grained Vehicle Recognition. The First Emperor did not only exhaust his own forces by working day and night but also did not allow the population to rest. A Physics-based Noise Formation Model for Extreme Low-light Raw Denoising.

Ying xiang Zhongguo 20 nian jing ji ti zhi gai ge lun wen jing xuan (Book, 1998) [me.stfw.info.cdn.cloudflare.net]

It was prohibited for these households to possess weapons. An Effective Network With ConvLSTM for Low-Light Image Enhancemen.

The X Factor: Zhongguo Zui Qiang Yin

A lot of bronze weights from the Qin period have been discovered by archaeologists. IEEE Transactions on Computational Imaging TCI , vol.
