### The Healer's Journey

We have separate, as well as overlapping services and we are often enabling people more than we are helping them to heal. We recommend that healing activities be incorporated across many programs such as youth development, elder-health, community justice, school curriculum, adult education and training, etc. Get a massage or have a spa day with a friend.

### Healing Journey

There is a conscious articulation of the vision that motivates and draws you. Many people, both within the literature and anecdotally ascribe their healing to participation in traditional cultural practices.

### Spiritual Healing

When a shaman is initiated onto the shamanic path, they usually learn how to send their soul forth intentionally, on the soul flight which is commonly called a journey or the shamanic journey.

### Tips for Starting Your Healing Journey

Enrichment is the provision of a positive and potentially beneficial experience that can enhance a client's position relative to their disorder or dysfunction, but does not attempt to directly address the underlying causes of the problem.
