What is there to do that I would enjoy besides take a tour? Overall I was very frustrated with this book in my travels, I ended up just carrying it around in my backpack for a week. Considered a keystone species, agoutis aid in tree reproduction by burying seeds. It told about a lot of local and out of the way places that were incredible and was spot on in it's reviews.

So I went and found both of these hotels on Google Maps. Museo Dolores Olmedo Patino, the estate of Rivera's longtime model, houses 140 pieces from Rivera's body of work and an outstanding collection of paintings by Frida Kahlo. **ABOUT FODOR'S AUTHORS:** Each Fodor's Travel Guide is researched and written by local experts.

Sights in Mexico City

There are much better guides on Mexico. We give options for all budgets. From ancient archaeological sites and colonial-era cities like Oaxaca and San Miguel de Allende to the pulsing modern metropolis of Mexico City, the country presents thousands of years of history and abundant up-to-the minute style.

Travel Guide Ser.: Compass American Guides

A gifted painter and muralist, Diego Rivera was also a political activist; many of the sumptuous murals he created in Mexico and throughout the world speak of politics, history, and the worker's struggle. Planning on visiting more of Mexico? The 2002 movie Frida, with Salma Hayek in the title role, brought a whole new audience to Kahlo's work. For an up-close-and-personal look at Rivera's handiwork, head to Museo Mural Diego Rivera.

Fodor's 2007 Mexico

It has a good overview of the cities i might want to visit.

Cancun 2021: Best of Cancun, Mexico Tourism

Although you're at the helm, Fodor's offers the assurance of our expertise, the guarantee of selectivity, and the choice details that truly define a destination. I wouldn't recommend this just because if you're looking something up based on the page number shown in the index, it won't be where you expect to to be. Museo de Frida Kahlo is a must-see, with exhibits of her early sketchbooks and diaries, colorful costumes, and extravagantly decorated living quarters.

Images of her bat-wing brows, moustache, and clunky ethnic jewelry are as familiar in Mexico as Marilyn's pout and puffed-up white dress are in the U. And the Yucatán peninsula, located on a broad limestone platform in the southeast of Mexico, is an especially prolific place for mammals, reptiles, and amphibians.
