Try making ramen using these noodles, tonkotsu pork bone noodle stock, and your favourite ramen toppings. Thanks to the invention of instant ramen in 1958, followed by the post-war economic boom, ramen now no longer known as shina soba gradually built up its popularity again, and the swapping out of Chinese-style street vendors for up-scale specialist restaurants caused ramen to become increasingly associated with Japanese culture.

Kumamoto ramen tends to have slightly thicker noodles than Hakata ramen, and it is normally served with stewed pork belly and lots of fried, crushed garlic. These TanTan smart plugs fit the bill in spades. Even more mind blowing, my girlfriend flew from New York to Oklahoma and can control the lights in the bedroom on the app from over a 1,000 miles away.
