## Michael Sadleir Collection of Nineteenth

The strength of the NSTC is the scope of the listing—some 1.

## Michael Sadleir and His Collection of Nineteenth

One of the most important of these, for Victorian literature, is: Sadleir, Michael.

## The Victorian Period (1837

Volume four covering the years 1800—1900 of the revised The Cambridge Bibliography of English Literature 3rd ed. But the drawbacks are singling out fiction from the mass of titles, assuming that the holdings of these particular eight libraries are comprehensive. Major novelists of the period such as Austen, Scott, Mary Shelley, Dickens, Eliot, Hardy and the Brontës feature alongside popular romances, sensation fiction, colonial adventure novels and children's literature.

## At the Circulating Library: Introduction

However, the majority of authors require much more work to uncover. Among its distinguished editors are George L.
