Condom use among sex workers

Englewood Cliffs, NJ: Prentice-Hall; 1986. However, the alternative method of asking whether condoms are always, sometimes or never used in sexual encounters with clients in a specified period is subject to recall bias.

Practical Guidelines For Intensifying Hiv Prevention Towards Universal Access Five Steps To Hiv Prevention Planning PDF Book

The strategy assumes relatively rapid programme expansion, high adherence, and significant community acceptance and participation.

Condom use among sex workers

In other words, optimally most people will have access to HAART, and when discussing whether to start at 200, 350 or 500, we are really discussing the difference of a few years earlier in the course of a much longer life span on HAART.

Condom use among sex workers

Male latex condoms and sexually transmitted diseases: condom fact sheet in brief. As shown in Table , responses to individual items on the HIV knowledge scale varied: 87% of women incorrectly answered that HIV-positive mothers will give birth to infants with AIDS, and 57% of women incorrectly answered that coughing and sneezing transmit HIV.

Reducing harm from HIV/AIDS misconceptions among female sex workers in Tijuana and Ciudad Juarez, Mexico: A cross sectional analysis

Nearly one third of our sample incorrectly believed that HIV-positive persons quickly show symptoms, which is similar to findings from a U. Epidemiological Fact Sheet on HIV and AIDS. Mexico City: Instituto Nacional de Estadística y Geografía; 2005.

Highly active antiretroviral treatment for the prevention of HIV transmission

Global tuberculosis control: epidemiology, strategy, financing
