Special tasks (1994 edition)

Dispatched, from the UK, within 48 hours of ordering. A number of ghost-writers who worked on the book were shot.

Special tasks (1994 edition)

He spent fifteen years in prison, then struggled two decades more for rehabilitation. Hence, Stalin's successors tried to preserve the fiction that the dictator had been opposed by healthy elements in the leadership led by Kirov and that he would have been a sound replacement for Stalin. The account is so graphic and chilling that it is impossible to convey the power of the author's description in a review.

What if Beria Had Succeeded Stalin?

Lessons of the Winter War: A Study in the Military Effectiveness of the Red Army, 1939—1940. Textblock is very clean and tight. There is a limit to the amount of such things a p This book is ESSENTIAL to understand Power in the former Soviet Union.
