## 2 BILINGUALISM AND SECOND

Individual Differences in Second-Language Acquisition The most striking fact about second-language learning, especially as compared with first-language learning, is the variability in outcomes.

## 2 BILINGUALISM AND SECOND

Face t s of First Language Loss. Crosby 1958 The influence of language-acquisition contexts on bilingualism.

### Language maintenance shift of a three generation Italian family in three migration countries : an international comparative study

Studies of children provide evidence that there can be intra-individual loss of skills in the native language as gauged through academic achievement measures Laosa, 1995; Merino, 1983 , and cases of total loss of a first or dominant language by young children who do not persist in using it regularly are frequent e. The two groups differ in their efforts provided for maintaining the ML in their children. Even though there is a critical period in the learning of a first language, this does not imply there is one for second-language learning.

## 2 BILINGUALISM AND SECOND

The results are presented in percentages to make it easier to compare the two groups. Trends and Changes in Home Language Use and Shift in Australia, 1986-1996.

### Sustaining and maintaining a minority language : A case study of the place and use of Tamil in Singapore

Orasi Ilmiah Pengukuhan Guru Besar Linguistik di Universitas Katolik Atmajaya, Jakarta. The Role of Attitude in Language Shift and Language Maintenance in a New Immigrant Community: A case Study. Within the framework of official bilingualism, Canada has a policy of official multiculturalism, which encourages ethnic groups to maintain their culture and develop as distinct groups and discourages assimilation.
