The was introduced in 2002, replacing 12 national currencies. In its first 20 years, it supported international exchange opportunities for well over 1. Because we were so thrilled with our freedoms — we just thought nobody would take it away.

CURIA

The former comitology system has been replaced by new legal instruments, namely implementing and delegated acts. As both an interpreter of law and as a political power influencing policy-making through its bold case law, it has become increasingly criticized in recent years for its perceived activism and distance from the European people.
