## South Sudan National Dialogue: Summary of the Final Report, December 2020

The review found no literature looking at local governance in South Sudan specifically from the gender perspective or from that of people with disabilities. The information manager for the secretariat of health said that she recorded three miscarriages in Kauda town in 2014 that had taken place when planes flew over threatening an attack, and that she also received a report that four women miscarried during aerial bombardment attacks in Mendi in 2015. Women interviewed in December 2016 said that, even though they were already married, they could perhaps complete more of their education if they could space pregnancies.

## Four Policy Actions to Improve Local Governance of the Oil and Gas Sector

Members have benefited from a highly visible presence at town events, including the annual leboku first fruits festival during which members receive a blessing from the town's paramount chief. Even during the war, Eritrea developed its by asphaltating new roads, improving its ports, and repairing war-damaged roads and bridges as a part of the program. A member of the Dong'otono ethnic group, Fr Remijo was ordained in 1996, then posted to Diocese of Rumbek-run Blessed Josephine Bakhita Formation Centre in Kitale, Kenya.

## South Sudan National Dialogue: Summary of the Final Report, December 2020

. Two is that, it represents the lowest rung of government in the Country, that is local government. Our sense of collective worth and pride is being insulted every day when our people receive food handouts from the taxpayers and sympathizers around the world.

## Lack of Access to Reproductive Healthcare in Sudan's Rebel

They were in Sudan on behalf of the Friends of IGAD Inter-Governmental Authority on Development which comprises Norway, Italy, the United States, Canada, the Netherlands and Britain. In so doing, community structures prevent small disputes from escalating, and can be instrumental in atrocity prevention see Figure 3.
