There are so many ways to join in the fun! But during the performance none of that matters.

Music Is for Everyone by Jill Barber

But have you ever stopped to consider why? Through music, Rosa is able to raise money for her sick grandmother. Or maybe listen to some slow and dreamy tunes as a meditation to unwind from a hectic day. In this Spotlight, we take a closer look at some of the potential health benefits of music and look at whether, for some conditions, music could be used to improve — or even replace — current treatment strategies.
