## Stephen Leacock Associates

The family, eventually consisting of eleven children, immigrated to Canada in 1876, settling on a one hundred-acre farm in Sutton, Ontario. Some of the beer that is pumped up spills into glasses and has to be sold. No one, anywhere in the world, can reduce a thing to ridicule with such few short strokes.

He got his doctor of philosophy degree from Chicago in 1903. An arts building at McGill University and a mountain in the Yukon Territory are named after him.

## Stephen Leacock: A Reappraisal

There was a coldness about it that cut me to the quick.

## **My Discovery Of The West: A Discussion of East and West in Canada**

This was confirmed by Literary Lapses 1910 , Nonsense Novels 1911 — probably his best books of humorous sketches—and by the more sentimental favourite, Sunshine Sketches of a Little Town 1912. It seems to me also that this alternation of sunshine and shadow, so plainly to be seen in the boom times and bad times of a new Eldorado, characterizes also all the economic side of our collective human life.
