Under the doctrine of prior appropriation whoever uses a particular river water first acquires a right to continued enjoyment of the same over and above rival claimants who start consuming later.

Understanding the value of urban riparian corridors: Considerations in planning for cultural services along an Indonesian river

Perhaps a constitutional amendment, to the effect that the State Park System and the DFG Ecological Reserve System are inviolate and must not be commercially exploited, is necessary. These areas were identified in landscape province studies conducted by DPR over the last 10 years.

Exhibit A

Excessive logging can strip the banks of vegetation. California sycamore riparian woodland in Point Mugu State Park being grazed.

Riparian Habitat

Tripp is Environmental Protection Specialist, San Francisco District, US Army Corps of Engineers, Geyserville, Calif. It is a nonresident corporation; the property along the creek is a recent acquisition. The site was in the path of a rechannelling of San Ramon Creek.
