## Chon

For the readers of the Osaka mainichi throughout the ever-expanding empire, the borderlines of empire seemed to be opening up for the benefit of all. Perhaps not unrelated to censorship at work at the time, direct references to the imperial opium policies are avoided. This attempt to link the academic perspectives and political choices of these two scholars requires further reflection on history and political history.

## primus inter pares

Also, it misrepresents the unspirited consonants the way that they are actually pronounced. Reprinted with permission from the Meiji Gakuin Archives of History.

## Bibliography to The Korean Buddhist Canon: A Descriptive Catalog

In the reality behind alluring imperial signage, colonized writers in the Bundan like Kim Saryang himself faced a glass ceiling, as second-class writers, banished to an abject place of translators and native informants in the margins of empire. While all of these discourses embody the desire to return to the spirit of Asian traditions against the threat of the materialist West, they also reified Asia as a primordial past, following the logic of Western Orientalism while simultaneously essentializing the West as Other. Japanese-language writings by colonized writers were being actively mobilized and given substantial attention in the Bundan, but not without having their colonial difference noted, and then being symbolically relegated to marginal positions.

## Intimate Empire: Collaboration and Colonial Modernity in Korea and Japan 978

Without ū, sincerity is meaningless. Based on the star-studded lineup of some of the most prominent scholars writing from American academia then, including Harry Harootunian, Masao Miyoshi, Fredric Jameson, Najita Tetsuo, and Naoki Sakai, this roundtable was conducted in English.

## Bok Choy Seeds (Pak Choi Seeds)

Regarding the relationship between li and ki, Yi I emphasized that the two can neither remain apart nor be intertwined.
