## The Church as Koinonia of Salvation: Its Structures and Ministries

The clergy possess what is essential to the Church as the visible leaders, which leadership is necessary for a visible Church. He is able to exercise this authority, however, only in communion with the college of bishops and the bishop of Rome. The particular church embodies the universal church in the sense that it is the specific place where the universal church is found, yet it manifests this universality in communion with other particular churches.

### Description: The sacrament of holy orders

Because the Lutherans could not find an unambiguous institution of the papacy in Scripture, they denied its jure divino character. The priesthood of Christ is a fulfillment and a perfection of all of these priestly types, but most directly, that of Melchizedek.
