technology from brands like Acer, Apple, ASUS, Dell, HP, Lenovo, Microsoft, Samsung, and more.

Computers, Freedom, and Privacy

Shop our collection of top computer brands for the holidays, and you can't go wrong. On its base level, the plug-and-play Tiny Media Box allows you to watch ordinary TV more than 70 channels and over a dozen in HD through your aerial or satellite without a hitch. You can integrate many more along the way.

Computers, Freedom, and Privacy

Whether you're looking for a traditional laptop or 2 in 1, a desktop tower, an all-in-one, a mini, or a tablet for business or fun, we've made it easy to find devices you want based on the operating system you like to use. Simply tap to pause live TV across our hefty selection of standard and HD channels, then do your thing and pick up right where you left off. Find and discover: Need a new laptop, desktop, or tablet? A good gaming PC is
