40 Awesome Undercut Hairstyles for Women [January 2020]

For a quick test drive, keep your shorn hair a few inches thick. Pull up your hair and reveal images at the back of your head.

undercut

An undercut hairstyle women can acceptably wear in an office environment usually involves short underneath sections that are left a bit longer, paired with long hair on top to conceal the look when necessary. Keep the upper layer of your hair intact and buzz the tiniest sliver of hair at the nape of your neck.
