## Fun facts about Denmark

The first years of peace were dominated by the struggle to repay the debts of war, combined with a serious agricultural crisis. Cambridge: Harvard College Library, 1986. Luther's ideas spread rapidly as a consequence of a powerful combination of popular enthusiasm for church reform and a royal eagerness to secure greater wealth through the seizure of church lands and property.

## Vikings

However, support for the idea of regionalism continued, so when Eric's nephew came to the throne in 1440, he managed to get himself elected in all three kingdoms, briefly reuniting Scandinavia 1442—1448.

## Denmark

The notions of freedom and equality which were discussed during the Age of Enlightenment made educated Danes question the divine right of kings even before news of the French Revolution in 1789 reached Denmark. At first, the Germans treated the Danes leniently as they wanted the Danish food supply. Capital and largest city is.

## The Life

In 1439 he was deposed as king of Sweden and in 1442 as king of Norway. In 826 a monk named Ansgar went to Hedeby to try and convert the Danes to Christianity, but he had little success.

## **The Real Story Behind the 17th**

However, in the later 9th century they turned from raiding to conquest. Though untrue, the story reflects the king's opposition to persecuting Denmark's Jewish citizens and residents and the popular perception of Denmark as a country which protected the Jews.

### **Chapter 1**

By agreements of 1851 and 1852, the Danes agreed not to try and make Slesvig closer to Denmark than Holstein.
