## Remembering the Jewish refugees aboard the ill

Roosevelt took significant but limited actions to aid Jewish refugees during this period, but he was most concerned with preparing the United States for war. The American Jewish Joint Distribution Committee JDC negotiated with Cuba on behalf of the passengers, but the negotiations failed and the Cuban government forced the ship to leave the harbor. Two weeks later Mannis says he opened the box.

leaves Hamburg. What pressures and motivations may have affected the responses of citizens? Obstacles to Immigration to the United States Quotas established in the US Immigration and Nationality Act of 1924 strictly limited the number of immigrants who could be admitted to the United States each year.

### MS St. Louis

In their deal with Lionsgate, both retain the right to produce a documentary on the dybbuk box and will conceivably work together on it in the future. Hostility toward immigrants fueled both antisemitism and xenophobia. Though the situation was desperate there was still hope that negotiations for their landing in Europe somewhere other than Germany could be possible.

### Voyage of the St. Louis

Couples danced in the ballroom, played shuffleboard, took sunbaths on the deck, and above all, enjoyed delicious meals and full cruise service offered by dedicated staff.

### The United States and the Refugee Crisis, 1938

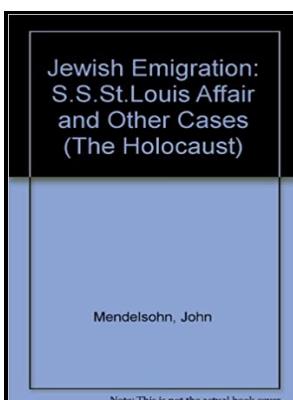

The rally, the largest antisemitic demonstration in Cuban history, had been sponsored by Grau San Martin, a former Cuban president.

### The United States and the Refugee Crisis, 1938

Automobiles accompanied us as far as the roadway permitted. Just over half, 278 survived the Holocaust. Voyage of the SS St Louis The Trip to Cuba Only a half an hour after the S.

### Canada apologizes for turning away Jewish refugees in 1939 — why that matters

Illustrates the inner workings of the Jewish Labor Committee in New York, including its interactions with other labor organizations and its efforts to preserve East European Jewish culture and history from destruction by the Nazis. When it reached Europe, the ship was able to dock in Antwerp, where the passengers disembarked.
