History of Settlement and Migration

Readers should begin with Stephen Vincent, Southern Seed, Northern Soil: African American Farm Communities in the Midwest, 1765-1900 Bloomington: Indiana University Press, 1999 for an excellent study of the interaction between African Americans and their white neighbors north of the Ohio River.

The Yankee West : community life on the Michigan frontier : Gray, Susan E., 1952

Turner identified a number of different stages: the furthest line of colonial expansion to the Appalachians, the expansion to the Mississippi during the first half of the nineteenth century, and expansion into the arid plains and the Rocky Mountains all the way to the Pacific after the Civil War.
