Sociology can be defined as the science of the of; specific institutions , akin to the individual organs of a coherent body. When we talk about an organization, we are usually referring to a group of people.

Organisation vs. Organization: What's the Difference?

If you write in Great Britain and your workplace has a preference towards organisation, you should obviously follow that. It follows that whoever wields personal influence and power can this only by gaining a formal position in the hierarchy, with commensurate authority. It means the same thing and can be used in all the same contexts.
