Since our stock is comprised largely of material which is bigger and heavier, we will often need to request additional shipping charges as a result. Subjects include timber-floating, offerings in a country church, hay-making, a wedding dance, flax-dressing, bear hunting, home weaving, grindstone making, young militia men, a servant's fair, etc. With the postal service, to domestic destinations with lower value items and the automatically furnished ABE shipping quote, we will usually use Media Mail; on higher value items we are partial to Priority or Express Mail.
