

Wolf-Rayet phenomena in massive stars and starburst galaxies - proceedings of the 193rd Symposium of the International Astronomical Union held in Puerto Vallarta, Mexico, 3-7 November 1998

Published on behalf of the International Astronomical Union by Astronomical Society of the Pacific - ASCA Conference proceedings

Description: -

- Wolf-Rayet stars -- Congresses.
 - Supergiant stars -- Congresses.
 - Starbursts -- Congresses. Wolf-Rayet phenomena in massive stars and starburst galaxies - proceedings of the 193rd Symposium of the International Astronomical Union held in Puerto Vallarta, Mexico, 3-7 November 1998
 - Symposium (International Astronomical Union) -- no. 193
 - Wolf-Rayet phenomena in massive stars and starburst galaxies - proceedings of the 193rd Symposium of the International Astronomical Union held in Puerto Vallarta, Mexico, 3-7 November 1998
- Notes: Includes bibliographical references and indexes.
This edition was published in 1999

Filesize: 19.43 MB
