Wargames Musings: Darkest Africa

Its breadth of landscape includes the immense sandy wasteland, the grassy veldts and savannahs, and thick, treacherous jungle. From this ignorance comes a sense of dull bewilderment, and that sinks down to the deadness of despair. He is very keen on dispelling this particular trope.

Dawn in Darkest Africa by Harris, John H

Palm oil and copal are the only natural products of the Congo, which seem to be a great future asset. He believes that Sir Reginald Wingate owes his great success in the Sudan to having recognized this principle in choosing his officials.

Anarchy in America

A few months ago I was approached by a colleague about leading a 10 day Safari Workshop in southern Africa. In both of them, I see the battle of the forces of ignorance and self-righteousness against the ramparts of knowledge and tolerance.

Light in Darkness

Everything else apart painted by me apart from the Hex based trees by Chris, and some pre-painted baggage. SHE FOUND ONE IN EVEN BETTER SHAPE THAN MY VOLUME II!! In fact, not funny, chilling.
