The Unending Sino

Click here to view image While a relatively modest combined force kept the hinterlands secure, UNITAF built up the JTF headquarters and fleshed out the Joint Task Force. In December 1994, national security advisor Anthony Lake toured Africa spreading the word that U. ADM Howe's requests for specific military assets were generally denied or delayed.

Somalia: Strategic Failures And Operational Successes

The United Nations manhunt for Aideed which followed ultimately backfired, permanently tarnishing the efforts of UNOSOM II. Just as important as the ability to use all required force was the Somali belief that UNITAF forces would do precisely that when required. In January, the United Nations began a program to reconstruct the Mogadishu police force.

Holdings: Report and proceedings.

You have given them a chance to seize their own future.

Holdings: Report and proceedings.

News and World Report, 7 December 1994, 26-28. The Dervish fight for independence occupied the British at the expense of economic or social improvement.

Holdings: Report and proceedings.

The UNITAF actions in Baidoa became the model for future operations in Somalia. Ambassador Oakley and his teams worked closely with the JTF staff and met several times a week to synchronize the military and political campaign.
