My Israel Question

How can I support Palestine without contradicting my beliefs that Israel should exist? This conflict shapes our media and society here in Australia too, and this book is compelling and easy to read.

My Israel Question

When the modern Zionist movement to establish a national homeland for Jews began in the late 19th century, there was some talk of building it in Uganda or Argentina.

My Israel Question by Antony Loewenstein

There are almost 60 pages of notes and references in this book. I found this book very hard to read, and not just because my usual fare is more in the way of fantasy and science fiction.

My Israel Question: Reframing The Israel/Palestine Conflict

The reviews below illustrate well some of the points Loewenstein makes in his book. The election of a far-right Israeli government, the indiscriminate war on Gaza and the illegal expansion of West Bank colonies suggest a bleak future for both Israelis and Palestinians. Antony Loewenstein shows that because of the concerted lobbying of media and politicians by Zionist lobby groups in Australia, the US and UK, it is very hard to have honest discussion. Antony Loewenstein's book is essentially about his staunch opposition to the actions of Zionist lobby groups who are determined to portray all criticism of Israel and its policies as Anti-Semitism, in other words conflating the terms Zionism and Judaism.

My Israel Question: Loewenstein, Antony: 9781530596430: me.stfw.info.cdn.cloudflare.net: Books

Most of the world believes settlements contravene the Fourth Geneva Convention, which bars an occupying power from transferring parts of its population into occupied territory.

Your kids' questions on Israel and Gaza, answered

Haaretz writers Allison Kaplan Sommer and Amir Tibon discussed the ongoing battle between the variant and the vaccine with Prof. The presence of settlements has led to the establishment of a network of bypass roads reserved for Israeli citizens and military checkpoints that have limited Palestinian freedom of movement, often adding lengthy travel delays.

My Israel Question: Loewenstein, Antony: 9781530596430: me.stfw.info.cdn.cloudflare.net: Books

The first part outlines Antony's family upbringing and how his questioning of faith and politics affected his life. In the interest of maintaining a civil forum, The Forward requires that all commenters be appropriately respectful toward our writers, other commenters and the subjects of the articles. The bilateral meetings that took place between the Palestinians and the Israelis, however, developed into the secret Israeli-PLO negotiations in Oslo.
